## Contents for Inference: Hypothesis Testing for the Population Mean

### z-test for the Population Mean

- Hypothesis Testing for the Population Mean: Overview
- Hypothesis Testing for the Population Mean: Hypotheses and z-score
- Learn By Doing Activity
- Hypothesis Testing for the Population Mean: Finding the p-value
- Hypothesis Testing for the Population Mean: Drawing Conclusions
- Hypothesis Testing for the Population Mean: Confidence Intervals
- Learn By Doing Activity
- Extra Problems

### t-test for the Population Mean

- Hypothesis Testing for the Population Mean: the t Distribution
- Hypothesis Testing for the Population Mean: t score
- Hypothesis Testing for the Population Mean: Finding the p-value for t
- Hypothesis Testing for the Population Mean: Summary of t test
- Learn By Doing Activity

### Hypothesis Testing Summary

- Wrap-Up (Hypothesis Testing)

## Type I and Type II Errors

- Type I and Type II Errors
- Wrap-Up (Type I and Type II Errors)
